You should have :

Light Use

Pressing the light button on the bottom of the KinderGlonightlight figure will turn on the nightlight and select continually changing colors or a constant single color of blue, red or green as shown on the following chart.

- ☆ When the KinderGlo nightlight is removed from the charging base it will automatically light as if the button had been pushed once.
- ☆ If there is a power failure, the KinderGlo nightlight will light automatically if setting on the charging base.

Timer Use

The timer indicator light on the bottom of the KinderGlo nightlight figures shows timer status.

- ☆ If timer light is on, nightlight will fade off after 30 minutes.
- ☆ If timer light is off, nightlight will stay lit all night.
- ☆ Holding the light button down for 3 seconds will turn timer light off.

Light Sequence (Choose by pushing light button)

Press 1st time : CONTINUALLY CHANGING COLORS

- ☆ Timer light on – 30 minute fade
- ☆ Hold button down 3 seconds to switch to all night lighting
